LAST OF SEPTEMBER.

Goebel and Blackburn Will Be
Here.

Date Fixed For the Proposed
Democratic Barbecue and
Speaking.

The proposed big barbecue and Democratic rally at or near this city, will be the last week in September. Senator Goebel and Senator Blackburn will both be here and they have agreed to give any date preferred between the 26th and 30th of September. The exact date will be announced later on, but it will most likely be either Friday the 29th or Saturday the 30th.

Mr. Blackburn also promises that Col. Bryan shall make a speech in Hopkinsville, if he as chairman of the campaign committee can control the making of his appointments.

Other speakers of National reputation will also be sent to Christian county and a strong effort will be made to carry the county for the whole ticket.

BROTHER KERFOOT.

Called Down Hard by Hon. John
W. Botts, of Shelby County.

Shelbyville, Ky., Aug. 15.—Hon. John W. Botts, a prominent Democrat of this county, created a sensation in a speech at the court house, following Congressman Settle's splendid effort for the ticket. Mr. Botts bitterly denounced Rev. F. H. Kerfoot, of the Baptist Theological seminary at Louisville, for making a political speech here last week at the state missionary convention of the Christian church of Kentucky. Squire Botts is a member of the Christian church and was present when Kerfoot made the break.

Kerfoot, who is the head of the temperance movement in this state, was invited to address the convention on that subject, but instead made a bitter attack on Senator Goebel. Squire Botts said Kerfoot's part was not on the printed program, and it was a discourse in the interest of the Republican party. He referred to Rev. George Darsie, of Frankfort, as a life long Republican, who had been appointed by the Republicans as a steering committee to get Brother Kerfoot in the meeting in the alleged interest of temperance, but in reality to attack the Democratic ticket. He denounced Kerfoot's intemperate language as becoming only to a ward politician and an unfair and unworthy attack on men who were the peers of any in Kentucky. He referred to the cranks who beset every legislature with special legislation, and said Goebel had done more for morality than any other man in Kentucky when he succeeded in having gambling and running of lotteries made felonies.

ALL FRANCE IN A FUROR.

The Shooting of M. Labori May
Result in Dreyfus' Early
Acquittal.

New York, Aug. 16.—Joseph Reinach, cables the following statement to the Journal:

"The shooting of Labori will warm up the atmosphere of the court, as it has disgusted honest men.

"The attempted assassination is not the outcome of a weak mind; it is part of a general plan, is cold-blooded, premeditated and paid for.

The crime syndicate of assassination feared Labori, and wanted his life and his documents. The same men are responsible for the razor which cut Henry's throat, for the rope which hung Locrinier, and the pistol that shot Labori. History furnishes no example of crime so atrocious.

"The plot includes the murder of Dreyfus if acquitted. The murder

ers who ordered the assassination will yet be caught. No compromise verdict is possible now. The judges, who hitherto would have been willing to throw a sop to the anti-Dreyfusards, will now make no concession.

"They stole Labori's papers to feed the dossier. My letter, which was among the stolen documents, will not give the dossier much nourishment. It will doubtless be claimed by the murder party that the 'Anglo-German syndicate' hired the man to shoot Labori in order to awaken sympathy for Dreyfus.

"The army accusers are now in full retreat and hoping for revolution. There have been several combinations made to murder Dreyfus. The murder has many accomplices. The plot has a platform of two planks; first, subversion of the republic; second, the murder of those who denounce the gang of forgers. "Labori's blood stirs honest souls. Look forward to a speedy acquittal of Dreyfus."

DEMOCRATS AROUSED.

Campaign Committee Organized
And Will Go In to Win.

The Democrats of Christian county have on their fighting clothes. The committee has been re-organized and only two weak links were found in the chain of 28 members and their places were promptly filled.

A Campaign Committee of thirty members was organized Tuesday with Buckner Leavell Chairman and Frank N. Bassett Secretary. The best men in the party asked to be given places on this committee. All are anxious to work and there is going to be a fight this year the like of which has not been seen in Christian county since 1890, when the Democrats swept the county. Christian county has often been carried by Democrats and it can be carried again with a close organization and proper efforts. Indications are that the gold Democrats will as a rule vote the ticket this year and there is more disaffection in the Republican party than there is in the Democratic party.

In the last county election, with the election boards packed against the Democrats, the Republicans came within 300 votes of losing a part of their ticket. With fair officers and an honest election, this slender majority can be overcome and will be. This is going to be a "landslide year." Kentucky is going Democratic by a majority so large that Goebel's vote will exceed the vote of all the other four candidates combined. Not more than 20,000 voters will attend the side-shows while the big circus is going on, and Goebel's majority will be at least 30,000.

Christian county is anxious to help swell that majority and wants to furnish two votes for Joe Blackburn in the next Legislature. And when the Democracy of old Christian goes in to win, it wins.

HINTS OF SCANDAL.

Dr. Long "Resigned, 'Case He Was
Obliged To."

Frankfort, Ky., Aug. 15.—There is something behind the resignation of Dr. John L. Long as Superintendent of the State Feeble-Minded Institution, which was announced in the late edition of The Times yesterday, that will probably not be officially made public. It is said here this morning that the Superintendent had been on probation before the Governor for some time and that his resignation came yesterday only to prevent an investigation by the Asylum Board. There has been considerable friction, it is said, between Dr. Long and the board and between him and Stewart Pickens and other employees of the institution.

The new Superintendent, Dr. Ely, who takes charge at once, is the third who has held the place under the present administration. The first Superintendent, Dr. J. P. Huff, of Flemingsburg, resigned rather hastily in January, 1898, after con-

Lexington, Ky., Aug. 17.—The Brownie convention nominated a full ticket, headed by John Young Brown for Governor. The platform denounces the Louisville Convention, demands the enactment of laws for punishing fraud in securing a nomination, indorses the Chicago platform and William J. Bryan; denounces the Goebel election law, favors the regulation of railroads without indorsing the McChord bill against extortion, favors free competition in the sale of school books, condemns the Republican National and State administrations, and

closes with an appeal for "Support in a patriotic effort to redeem Kentucky from Republican domination and from the threatened evils of corrupt machine politics." Blackburn was not indorsed. The Credentials Committee reported that 110 counties were represented, but there was no roll call during the convention, all the nominees being chosen by acclamation. A resolution was adopted demanding the use of the rooster. The convention completed its work at 11:15 o'clock last night. About 2,000 persons attended the afternoon session. About 1,500 were present when the night session began, but the crowd became small before the close.
